### **PAC Meeting Thursday, October 1 @ 6:30 in the School Library**

What does a PAC do?

PAC is a forum in which Parents, Administration and Teachers come together to discuss issues of the school .PAC's work to represent the parents within their communities and contribute to the benefit of all students by:

- Providing opportunities to educate and inform parents about the school
- Involving parents in volunteer activities
- Openly discussing parents' concerns and aspirations for their schools.

Come and be part of the PAC and support your child and the school. More hands make less work for everyone and results in a greater benefit for everyone. You can help make a difference for our students and your child(ren).

I am looking forward to seeing you at both events.
