Dear Craigflower Community,

We are now heading into the final weeks of the school year. Our students are already looking ahead to the summer months so Craigflower staff and parents alike will have to help them stay focused and push through until the end of June. It is amazing that our grade 5s are heading off to middle school next September. They have grown so much and in so many ways! We will be celebrating with these students on the 26th of June.

Our Reunification Drill was a fantastic success! Parents worked with staff and eventually, all our students made it home. Many thanks to our parent community for taking part in this very important exercise. I would like to also thank our Parent Council for taking part in the Emergency Preparedness Parent Education Night prior to the Reunification Drill - we were very well represented.

On another note, I have the unfortunate task of saying goodbye to Mrs. Relf. She will be moving to Doncaster Elementary School next year and will be sorely missed by us all. Mrs. Relf has been a Vice Principal at Craigflower for the last three years and, on a personal note, I have to say that she has been an enormous asset in helping me to get to know our community. I hope you join me in wishing Mrs. Relf success in her new position.

Our Custodian, Bernie Sainsbury, will also be leaving us this month. He is pursuing a different career and we all wish him well. Bernie has also been at Craigflower for three years and has become a much respected member of our staff and of the community. He leaves big shoes to fill.

Mr. Waryn Davis, our grade 5 teacher will be moving on to Macaulay Elementary next school year and Ms. Carleen MacDonald, who taught a 3-4 split class, will be moving to Tillicum Elementary. These dynamic teachers were only at Craigflower for a year but they have made lasting positive impressions in our community. We wish them all the best in their new assignments!
