

NOTES

Craigflower PAC Meeting October 10, 2018

In Attendance

Christine Staab, Jennifer Janes, Britani Wilson, Kyle Walker, Diana Gagne,
Megan Dupais, Tim Murphy and Connor McCoy

Treasury Report

As of today's date, October 10, 2018 our grant has not been received.

Account Balances: \$1188.44 – Gaming account, \$1188.49 – Chequing Account

Jennifer Jones will follow up on the status of our Bottle Depot Account which was set up by a previous committee member

Administration Report

Mr. Connor McCoy reported that the school has successfully hired a teacher for the K-1 class, Mr. Matt Smith.

The school has secured additional time for our EA's, 4 extra hours per week as well as two additional Learning Support Teachers

2 Additional EA positions will be added and the positions will be posted October 29, 2018

The hiring challenges of the beginning of the school year were reviewed and the Craigflower parents patience and support through this transitional time was really appreciated

The learning support teachers remain in the class vs pulling the students out of the classroom and this approach is benefiting the students

October school events were reviewed

Additional Reports

Christina Staab has secured a \$150.00 dollar store credit from Thrifty's Food

She has delivered letters to Canadian Tire, Rexall, Dairy Queen and the Pasta Store for additional donations

A sign-up sheet for volunteers for the Halloween Dance will be put up Wednesday, October 17 and PAC members will run the concession

PAC would like to provide Maggie with some funding for her donation of baked goods

Mr. Connor McCoy will review our contract with the photo company to change the pre-paid policy to one where the pictures can be reviewed before purchase

A suggestion regarding Consumables for teachers was the teachers would keep their receipts until they totaled \$50.00, they then can be handed in for reimbursement

The receipts must be all together in one envelope before they are submitted for reimbursement

The Foundation Skills Assessment Tests were discussed and it was the opinion that they were a good tool to provide the educator's with the progression of their students in the areas of reading, writing and numeracy

We ask that there be a notice be given out regarding the incidents of lice recently and a health nurse will attend our next PAC meeting and any further information on Lice can be discussed then

Meeting was adjourned at 7:30

Next meeting will be held November 14, 2018 @ 6:15pm
