A Message from our Craigflower Parent Advisory Committee

Hello Craigflower Families,

The Parental Advisory Committee (PAC) has been working hard this year to support our school and children, and we have a lot of news to share below!

Thanks to You

One of the big ways we support our school is through fundraising. Our Halloween Dance bake sale was a great success! Thank you to all the families that came out to celebrate and support our school. We would also like to extend a big thanks to everyone who brought our bake sale treats.

Thrifty's Cards

Do you shop at Thrifty's? Thrifty's has a Smile Card program that benefits our school. Thrifty's Smile Cards are reloadable cards you can use to shop and earn money for Craigflower. The program works by Thrifty's donating 5% of the amount loaded on to a Smile Card to our school. All you have to do is pick up a card at the school office before your next shopping trip, and load it up before you start shopping! What a quick way to raise money for our school!

After School Fitness Program Coming

Thanks to our fundraising, PAC is excited to announce that we are partnering with PISE to bring our children an after school fitness program. The program will be meeting twice a month. Look for more details coming soon.

Childcare At Next PAC Meeting, February 20th

PAC would love to have more parents, grandparents, and guardians join our Wednesday evening meetings once a month. We realize that childcare is an obstacle for many of our families, so we'd like to try a trial program. We have a Craigflower family member willing to watch Craigflower school children at the next PAC meeting on Wednesday, February 20th at 6pm. We will be posting a PAC meeting childcare sign up sheet at the office. Please let us know if you will need to utilize the childcare to make sure we do not exceed the number of children per our one adult. Hope to see you at the next meeting!
